in Middlebury, Brandon, Arlington and
Bellows Falls.Alvah Martin, aged 25 years, now
finds himself in the rather peculiar re-
lationship of father to his own half sister
and brother, having just married his
stepmother, Mrs. Alvah Martin, widow
of George Martin, who is of Ludlow
but is now living in East Wallingford
at the home of his step-mother-wife.While the details are not now suffi-
ciently matured for publication, it is
announced, through the generosity of
a former resident of St. Albans, the
King's Daughters' Union of that city
expects soon to be able to build and
equip an up-to-date gymnasium for
boys and young men, probably on what
is known as the Seymour lot on the
south side of Kingman street.The young daughter of Mr. and Mrs.
W. Chase Fifth, of Bennington, has been

held at Berlin corner. The three meet-
ing subsequence to the annexation of Hal-
low's population to the struggling Ham-
burg of Montpelier being held at West
Berlin.Under the present system Berlin re-
ceived from the State in 1905 \$204.77
for highways more than it paid to the
State, and the State paid \$10.11 in care
for the town's insane patients. Clement
would abolish this system. This town
now sends a representative to Montpelier.
Clement calls this a "rotten
borough system", and would have Berlin
lose its identity in the legislature and
become part of a "legislative district".
In 1900 Senator Clement prevented an
increased tax on corporations, and
fathered the last State tax ever levied
in Vermont. This saved M. Clement's
railroad \$28,190.34 in 1901. It cost Ber-
lin \$876.61. Vote for your town's in-
terest next Tuesday.—Adv.

TO OPEN VERMONT FOREST.

The Rutland Railroad to Build a Twenty-
Five-Mile Branch.Burlington, Aug. 28.—A branch rail-
road to connect a tract of timber land
of 100,000 acres with the Rutland Rail-
road at Manchester, is being built, and
will be completed next year. The road
will extend into the mountains twenty-
five miles. It will run through primeval
forest and will be built at an altitude of
2,800 feet. The timber belt lies on a
great plateau between the Green Mount-
ain range in Windham County on the
east and in Bennington County on the
west. It is estimated that there are
400,000,000 feet of spruce fit for logging,
and in addition a great amount of small
growth fit for pulp. There is also
great quantity of red birch.

Catarrh Cannot Be Cured

WITH LOCAL APPLICATIONS, as they cannot
reach the seat of the disease. Catarrh is a
blood or constitutional disease, and in order to
cure it the blood must be purified. Catarrh
Cure is taken internally, and acts di-
rectly on the blood and mucous surfaces. Half

prescribed by one of the best physicians in this
country for years and is a regular prescription.
It is composed of the best tonics known, com-
bined with the best blood purifiers, acting di-
rectly on the mucous surfaces. The perfect
combination of the two ingredients is what

HEALTHY PLANTS

Require the Most Careful Attention as
Well as Good Soil.Did you ever see a rosebush which-
despite the most beneficent environment
of soil of sunshine—and of atmosphere—
seemed never to achieve a healthy
growth?A ton of manure will not help a plant
that has a canker eating out its heart.You must destroy the cause before you
can remove the effect.You cannot cure Dandruff and Bald-
ness by rubbing on hair lotions, and
treating the canker, etc.You must look to the cause of the
trouble—it's a germ at the roots of your
hair which causes it to fall out.Newbro's Herpicide destroys the germ,
and healthy hair will grow again.Sold by leading druggists. Send 10c in
